CLUB

THE ULTIMATE LUXURIOUS COMFORT
FOR THE DISCERNING TRAVELLER

CLUB

Since its inception over 12 years ago, Franklin's Club Series is designed for travelling in the utmost luxury and comfort. Packed full of the features and luxuries demanded by the modern caravanner, this van is Franklin's most desirable caravan. Our highly skilled design team have ensured that the Club meets and surpasses our company's principles of excellent build quality and includes many of the latest innovations in design and technology.

The 2026 Club is now built with an eco-conscious timber-free frame for better durability, as well as an insulated sandwich panel composite roof and full composite flooring for a lighter ride and improved year-round comfort.

Luxury on-road living comes alive in this feature-packed van; including stylish matte black tapware, and a grey water tank as standard. The Club's list of features goes on – so why not see it for yourself? Visit your local Franklin Caravans dealership today to Get Connected To Your Lifestyle.
