CORE

Luxury on-road touring in an RV gets even better with Franklin's new 2026 Core range. Choose from eight variants, single and twin axles, and numerous layout options - your caravanning needs are fully covered, and all at a competitive price.

2026 brings a host of innovative features, including a new insulated sandwich panel composite roof for improved year-round comfort, full composite flooring for reduced weight, and a timber-free frame for durability that doesn't cost the Earth.

With a variety of layouts ranging from 17'5" to 21'5" lengths, families can opt for vans with either 2 or 3 bunk beds; or, for the explorers who prefer having a bit more room to move, choose one of our single bed options and go your own way.

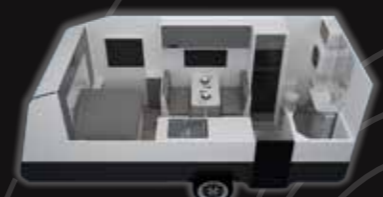

If you're ready to experience what Franklin Caravans has to offer, get in touch today - and Get Connected to Your Lifestyle with Core.
